[Pay Cap Waiver Template.xlsx](#)

Roxanne: Please see attached. I know as part of the response, several OPA people are working it, including working overtime. We will need their names and as much of the data requested in the template below you can provide.

In addition, under separate cover, People plus will need to include a new charge code for people working on the response. I will send that to you shortly after this email, but folks here will need to set up the codes through people plus, and your timekeeper made aware of the inclusion of these new codes as choices.
